

SPECIAL SIDE EVENT LAUNCH OF PACIFIC ENVIRONMENT & CLIMATE EXCHANGE

The Pacific Environment and Climate Exchange (PECX) is an innovation and finance hub for climate change, biodiversity and sustainable development projects in the Pacific islands, and whose mission is to create environmental, climate change and sustainable development solutions by empowering and connecting people, ideas and projects in Pacific island countries with people, ideas and financing from around the globe.

PECX is committed to:

- Work with the private sector to facilitate and increase its engagement with climate change, conservation and sustainable development activities in Pacific islands countries; and
- Support Pacific island countries to manage their resources in a sustainable manner, to build their resilience to the impacts of climate change and assist them in transitioning their economies to a green-blue economy.

Date: 14 November, 2017 Time: 6.15pm Talanoa Space, Bonn Zone
